## 15<sup>th</sup> Annual 1 Mile Fun Run/Jog/Walk

Dear Sponsor,

Running of the Bells, **the largest outdoor event in Franklin County**, is celebrating its fifteenth year.

We want you to be part of this holiday cheer!

On **Thursday, Dec. 4, 2025** the St. Albans Messenger will hold the annual run/jog/walk at Taylor Park in downtown St. Albans. This one-mile fun run attracts supporters from all over Franklin County and is heralded as the event to see the most creative Christmas costumes imaginable. **A percentage of the event's proceeds will go to the local Franklin County Animal Rescue and NorthWest Family Foods charities.**

As with the fourteen years prior, the success of Running of the Bells depends on being able to **partner with local businesses and organizations**, those at the center of the community's heart. There are a variety of sponsorships available for your company. Each level has a different marketing format, which we are happy to explore with you further.

We look forward to working with you this holiday season and are excited to be part of a community that welcomes such holiday togetherness.

Sincerely,

*Bridget*
